Requested documents for Flanders

If your documents are in Dutch, English, French or German:

- The completed form *aanvraagformulier* (Word, 4p.)
- 4 normal copies of the diploma in the original language
- 4 normal copies of the diplomasupplement in the original language
- 4 normal copies of the official study-program with description of the content in the original language.
- 4 normal copies of the script / thesis in the original language.

If your documents are NOT in Dutch, English, French or German:

- The completed form *aanvraagformulier* (Word, 4p.)
- 4 normal copies of the diploma in the original language + 1 original certified translation + 3 normal copies of the original certified translation
- 4 normal copies of the diploma supplement (see above) + 1 original certified translation + 3 normal copies of the original certified translation
- 4 normal copies of the official study-program with a description of the content in the original language + 4 normal copies of an own synthesis in Dutch, English, French or German.
- 4 normal copies of the script / thesis in the original language + 4 normal copies of the own synthesis in Dutch, English, French or German.

If your foreign diploma is registered in the “precedent databank” of NARIC-Flanders, only one copy of the evidence is sufficient.

Requested documents for Wallonia

- The exact title of the diploma where you wish to get equivalence
- The exact names of the diplomas that are in your possession in higher education
- The name of the institute that has delivered these diplomas
- The legal number of years of the study program
- The country that delivered the diploma

Secretariat:
Rue de Pascale, 36
B -1040 Brussels
BELGIUM

tel: (+32) 2 231 5063
fax: (+32) 2 231 5064
e-mail: info@physio-europe.org

- The presence or not of a script / thesis (memoires) at the end of the study-program
- The list of the completed internships
- Your nationality
- The motive of the solicitation of the request for equivalence of your diploma (studying, professional...).

Further requirements:

To work in Belgium it is essential to have knowledge of either or both of the languages spoken in Belgium: Dutch or French.

There is a selection test procedure for a specific area of practice.

For further information, see the document on the following link:
